

Survey & Spot Markers

Made in the UK

Survey & Spot Markers

A rapid drying marking paint for applying semi-permanent markings to soil, grass, concrete and most hard surfaces.

Ideal for a variety of uses including: highway maintenance, site excavation, turf marking, landscaping and marking cable positions prior to drilling and cutting.

Lasts at least 3 months on most hard surfaces. Applications to wet and damp surfaces may decrease performance.

- Contains built-in bright colour pigments for a bold finish
- Includes a heavy duty, non clogging nozzle for inverted use
- Includes dual trigger pads for compatibility with survey marking applicators
