

# Locks & Handles

## Long Throw Locks - Single

An ideal high security lock for gates where key access from the outside is required. The lock can be opened from the inside without the use of a key providing quick and easy access.

The lock features a cylinder barrel of either 50 or 70mm in length, suitable for either 50mm or 70mm gate thicknesses.

Supplied with a brass escutcheon for a clean flush finish around the lock cylinder or alternatively a rim lock escutcheon handle can be used (sold separately).

- Supplied with 3 keys
- Fixings included

Technical Data
