

Washers, Caps & Sheet Fixings

Hex Head Cover Cap

Cover caps are a perfect way to blend in roofing and construction screws with coloured panels. Please bare in mind we only stock a certain amount of colours, please allow at least one week for dispatch. Poppy Red caps are used for highlighting weaker transparent sheets.

Please note these colours are a guide only. Please refer to www.e-paint.co.uk and search for the colour name, for a more accurate colour match.

Sela Cover & Washer

Black

Used when securing roofing sheets to create a watertight seal. When using spring head roofing nails just a washer (SW) is required. If using hook bolts you will also require a Sela Cover (SC) to cover the washer and nut to complete the seal.

Dowty Type Washer

Black

Used mainly with drive screw nails and spring head roofing nails for attaching corrugated roofing sheets to wooden purlins. The washer provides a watertight seal when used correctly.

Corrugated Sheet Fixing

Designed to fix plastic corrugated sheets to timber. Cover caps provide a water tight seal. Spacers help stop splitting of corrugated sheets as the fixings are tightened.
