

## Flexiband

### Banding

Flexiband is a band and buckle system offering a high strength fastening solution in 304 Stainless Steel.

Provides 4 different band widths 9mm, 13mm, 16mm and 19mm.

Flexiband is ideal for strapping items securely and can commonly be seen in applications such as sign fixing where the tamper proof nature of the product is of paramount importance.

Product Code	Size W x L (mm x m)	Pack Qty (pcs)	Carton Qty (packs)

## Multiband

### Banding

Multiband is a self assembly endless banding or screw band system, which allows the user to cut the band to the desired length.

Used in areas such as heating, ventilation and air conditioning (HVAC), sign fixing, conduit and cable retention and lagging, this product is very versatile.

A number of screw and housing designs are available to suit any application.

Available as a zinc protected mild steel or 304 stainless steel clamp.
