

## Eye Protection

Safety eyewear is an important form of PPE that protects one of the most important yet exposed parts of the body. Understandably, the European Standards covering eye protection are some of the most comprehensive of all those dealing with any item of PPE.

It's important that the user considers the environment and level of risks involved before selecting the correct eyewear item.

To assist with the selection, all PPE is required to be marked with the specification of its standard, with lettering/numbering acting as an indication of capability.

In accordance with TIMCO's quality standards we only supply glasses with the highest class 1 optical quality lenses.

## Premium & Sports Style Safety Glasses

NEW

### Sports Style Safety Glasses with Foam Dust Guard

A designer pair of safety glasses built for strength, comfort and flexibility. The unique detachable foam gasket around the frame reduces the risk of dust, dirt and liquid ingress whilst providing additional comfort to the user. The soft rubber lining on the arms and around the nose give extra comfort and grip around the ears, temple and nose when worn for long periods. The clear lenses provide excellent visibility and are treated with an advanced micro coating to prevent scratches.

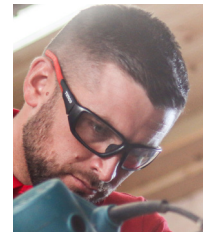

- Optical class 1
- Grade F lens
- CE Approved to EN166 F & EN170

| Product Code | Lens Colour | Pack Qty (pcs)   | Carton Qty (packs) |
|--------------|-------------|------------------|--------------------|
| <b>BOX</b>   |             |                  |                    |
| 770123       | Clear       | 1                | 12                 |
