BAG				48	1	50
200606	200999					
TYPE - BSA				SUB TYPE - BSA07		

Door Chains

NEW

Door Chain

Security Door Chain

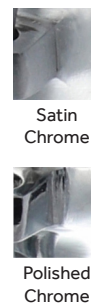

When engaged door chains reduce the opening angle of the door enabling the occupant to identify and speak to the caller before the door is released and restrain against a forced attack.

Door Restrictor

NEW

Electro Brass

When engaged door restrictors reduce the opening of the door enabling the occupant to identify and speak to the caller before the door is released and restrain against a forced attack. They are easier to operate and quieter than a standard door chain.
